The China Mail.

Hongkong, monday, october 7, 1895.

Honokono is seriously threatened with two evils during the next six months -fire and water, or rather want of L'd., closed from this date to the 24th water. The Water Authority might usefully be called on to present a return. from estimates if he has not exact records, of the consumption of water by the Fire Brigade in recent years. was a part of the original waterworks scheme to provide enough fresh water from the street mains for all the requirements of the fire engines as well as for so inordinately, and domestic waste has grown so persistently, that even in years of full-rain supply we are liable to be put on short commons, to make out on something like a bucketful of water a day. And now we have missed the normal yearly rainfail, and are already cut down to a water supply of an hour a scheming to ensure that even during that single bour no more than the 'prescribed domestic quantity shall be drawn THE delivery of the English Mail was from the pipes by anybody. At the begun at 3.35 p.m. yesterday. same time we are face to face with the Fire Fiend, more active and defiant H.M.S. Redpois has returned to Singapore Chinamen. The collapse is attributed to than ever, because the Fire Ordinance from Bangkok. has conspicuously failed in its object. In summer it is not so bad, because there is usually plenty of water, there toris on the 5th inst. is no such pressing want of money as THE Fuping, from Hongkong, put isto there is just before the great settlingday of Chinese New Year, and there is Shanghai on the 29th nit, to repair her no such ever-alluring temptation as the damaged rudder. winter stoves.

> imminent as to justify the extreme step miral Buller was at Wuhu, with the majorthat the Water Authority has taken- ity of the British fleet close at hand. and not even the most rancorous malcontent has blamed the Government THE Japanese Coneral Yamane is reported detail of it may be exceptionable it is fover. time to lay down a stringent rule that drinking-water must not be thrown THE Empress of Jupan arrived at Nagasaki away through the fire bose. The Government may stand aghast at the idea of wiping out one of the cardinal points of the great waterworks scheme; but THE N. Y. K. steamer Milki Maru, from there is no help for it. There simply is Bombay, left Singapore on the 5th instant, not water enough for both the Fire Brigade and the domestic wants of the without. In putting out a fire, it is impossible to argue with the flames, or to draw a legislative line at the the morning of the 6th inst. are subdued; or else it is better ports of call. not to begin at all. So the water must not begin to depend on them. Begin at once with sea water, and make that suffice. A single fire-hose lets out thirty to fifty times as much as an ordinary tap; a single fire may In the early days of September the heat in take as much water as the Colony peeds for a month or more. Moreover, the water in the mains is supposed to be it can be turned on when wanted, that means waste of time in finding the man to do it, getting him out of bed and into his clothes and down the street to do his work. And it would always passed the Canal on Saturday, 5th inst., realise on his insurance policy, to cut the waterman's telephone wire before goes without a hitch, the pressure is never good efter the water has been off for the simple reason that taps are left open overnight in every house in the be expented to arrive about 9 a.m. on Colony to catch the first of the morning's Tuesday. supply. This practice cannot reason-

It comes to this-that for at any rate the ensuing dry season, arrangements must be made for the fire Brigade to prices, and the fuamount allowed for rely solely on sea water for their hose, It is a little difficult to do all at once: an effort was made at Saturday's fire, with only moderate success, and fresh water was mostly used. If better preparations had been made it would have been possible to dispense entirely with fresh water, even in Hollywood Road. Perhaps money will be required for a Our Registered Telesphic Address is set of storage tanks, or a permanent And all signed lasages addressed That would meet all ordinary requirements, for not one fire in a hundred of any importance is out of reach of the The following is a Lof Waters always to displace the wasteful and dangerous system of using fresh water for fires in times of scarcity.

> Amongst the vessels launched on the Olyde in August was the Pakhoi, a steel sorew-steamer of 2,030 tons, with tripleexpension engines of 1,500 h.p., built by China Steam Navigation Co., Limited, Osana sugar-merchants are planning, says

tions direct to Kobe. If the experiment proves aucoessful they intend to promote a THE Foochow Keho of the 18th September

the 23rd inst. until the return of Mr Consul Pitalpios proceeds to Kachong next week to relieve Mr Vice-Consul Allen, who will then return to the Pagoda Anchorage.

THE Straits Times says :- We understand that Messre G. T. Hare, R. J. Wilkinson, and G. J. L. Litton, at present members of the Civil Service of the Straits Settlements, have telegraphically received perroission from the Secretary of State to the Consular service in China. Dissatisfied with their prospects in the civil service, these gentlemen applied some time ago for the permission they have now received with unexpected celerity. They are disbelievers in the Straits; they are optimists regarding the prospects in the diplomatic field of the For East. They prefer to sacrifice their years of Ishour here, their pension qualifications, their seniority, all in fact, to enter what to them appears a far easier and more rapid route to distinction and substantial remaneration. It is a serious step to take, some may call it rash, but these gentlemen are men of erudition and comtheir undertaking if they undertake it-but there is yet time for repentance.

The German cruiser Kormoran arrived in port on the 29th ult. THE SITUATION IN SOUTH

FORMOSA. THE ATTACK ON TAIWANFOO, On the 2nd is st. all was quiet at Taiwan-

foo, the Black Flags apparently having no ides of the impending Japanese attack. At Amoy, on the 4 h inst., a telegram was received by the British Consul from Tamsui stating that the Japanes had stacked Tai-

wanfoo. The Douglas steamer Hailoong, leave their present appointments and enter wich happened to be in port, received orders to proceed to Taiwanfoo at once, probably to utilise the opportunity to secure a large number of passengers, who will doubtless be willing to pay any price to escape Japanese reprisals which are sure to take place when they see the heads of their countrymen exposed publicly on the highway between Taiwanfoo and Anning.

It is reported that a Japanese expedition started from Tamaus on Saturday for South Formusa. As far as the intention of the mon sense, and we wish them success in Japanesa can be made out, the move would be partly by sea and partly by land.

> FORMOSA REPUBLIC STAMPS. WARNINGS TO COLLECTORS.

We understand that the stamps issued by that is to eay, any issues for Chefoo, Chunking, Chinkiang, Hankow, Ichang, Tientein or Wohn appearing after this date, or

for any other place in China of a like for postal purposes, and in view of the speculative purposes, it appears likely that these stamps will be relegated to the same limbo as the Chinese locals. That the Sui Hong Chuen and another, executors stamps were issued for speculative purof Yong Tak Wai who died of plague last poses is clearly evinced by the numbers year, sued Ho Hing for \$870, value of the which have been put into circulation bear-

A correspondent who has just returned from Taiwanfoo sends us the following :-The Formesan Republic stamps begin to Wai died of bubonic plague early in 1894, get scarce and hard to obtain. It seems and when the sanitary authorities in that the officials' time in the Yamen is too stituted search parties to hunt up cases much taken up with other matters to of plague, disinfect houses, burn subbish, bother about stamps; and as the people his large stock of valuable clothes should ment than stamping a tiger on bits of a Vegetarian, my sponsor being a To Yough saying yesterday in a burst of passion that an engaged in onen dispute. all go. The defendant Ho Hing, who had paper, the output is limited. To avoid the been manager of the decessed's business labour of making the stamps, they report to the fastness and returned home the same Christians as soon as the Foreign Consuls forty years, was therefore entrusted with that it is impossible to obtain the violet ink evening. COSTA RICA PACKET CASE. London, Sept. 12.—The Czar of Russia

London, Sept. 8 .- The newspapers in IMPERIAL DEFENCE. - PROPOSED COLONIAL

CONTRIBUTIONS. London, Sept. 6. - A deputation representing the Imperial Federation League was received yesterday by Lord Salisbury (Prime Minister and Secretary of State for Foreign Affairs), the Duke of Devonshire (Lord President of the Council), the Marquis of Lansdowne (Scoretary of State for War), and Mr Joseph Chamberlain (Secretary of State for the Colonies). The deputation urged upon the Government the advisability of acting upon the suggestion of the special committee the league appointed to deal with the matter of Imperial defeace, to the effect that the Government affould invite the colonies to contribute towards the cost of maintaining the navy on condition that they have a voice in its administration. In reply, the Ministers promised to give careful consideration to the auggestion. Lord Salisbury in speaking on the question, implied that there was a danger that the proposal, if carried out, would create the evil of a divided control. In commenting upon the proposal, the Standard expresses doubt as to whether the question is ripe for settlement. Sept. 7 .- In commenting upon the suggestion of the defence committee of the Im-

perial Federation League, the Times says that the gratuitous unval defence of the colonies by the Empire is the strongest bond of Imperial union. The cost of maintaining tion of the colonies would be a welcome earnest of the sympathy of the colonists

COLLAPSE OF A PIER. London, Sept. 9 .- An alarming accident took place to-day at Morecambe, the wellknown seaside resort in Lancashire. While crowded with people the end of the pier collapsed, and 150 of those upon it were thrown into the sea. Great excitement prevailed. Many managed to gain the beach, and assistance was rendered to the others, One person was drowned.

PAPAL INFALLIBILITY. London, Sept. 10 .- Cardinal Vaugher. Archbishop of Westminster, has declared in the course of a speech on the subject of the rennion of Christendom, that the kernel of reunion is the admission of Papal in-

fallibility. SCULLING IN ENGLAND. London, Sept. 9 .- A race was rowed over the championship course on the Thames from Putney to Mortiske this afternoon between C. R. Harding, of Putney, and T. Sullivan, formerly of New Zealand and Sydney, for £200 a side and the championship of England. Harding, who was the holder of the championship, won easily by five

The betting was 11 to 10 on Harding. Sullivan led for half the distance, but then became exhausted.

ARCTIC EXPLORATION. London, Sept. 11 .- News has reached London to the effect that the expedition to the North Pole, which left England in July. 1894, in the steamer Windward, under the command of Mr F. G. Jackson, F.R.G.S. has reached Vardo · Island, off the north

coast of Norway. Sept. 12 .- Three of the crew of the Windward died from sourvy. Mr Jackson and the other members of the expedition left Franz Josef Land northward in sledges on the 3rd of March last.

The expedition was organised by Mr A. C. W. Harmsworth, who provided the greater portion of the cost. The Windward, a screw steamship, was specially built and fitted up for the vorage.

ENGLISH CHICKET. London, September 12.-L. H. Gwynn, an Irish cricketer who has recently come to the front as a bataman, heads the batting averages in first-class matches for the past season with an average of 56. M'Laren comes next with 51.21, and Dr W. G. Grace is third with an average of 51. A Ward is seventh on the list, and Mr A. E. Stoddart is thirteenth. In the howling averages Richardson is fourth, and Peel sixth. London, Sept. 8 .- In the cricket match just concluded between the North and South

of England, Dr W. Grace scored his ninth century for the present cricket season. London, Sept. 11.-The match between Mr A. E. Stoddart's cricket team and an All England Eleven was a neluded at Lord's to-day. There was egain a large attend-

Stoddart's Eleven resumed their second innings, and at the adjournment for lunchenn had scored 182 run for the loss of six wickets. On resuming play Lockwood and Ford made a protracted stand and defied the bowling. When the score had been raised to 289 Stoddart declared the innings closed. Ford played a splendid innings, and scored 111 not out. Lookwood was also in excellent form, and put together 60 not out. Both were loudly cheered on retiring to the

England, with 287 runs to get to win made a feeble display of betting in their second innings, being quite numble to play the bowling of Richardson and Peel. They were all disposed of for 68, Mr Studdart's Kleven thue winning by 216 runs, Scores :- Stoddart's Eleven, 217 and 289

for six wickets; All England, 220 and 08.
